15th November 2018

Dear Parents and Carers

I am delighted to announce that the Schools, Students and Teachers network (SSAT) has recognised Churchdown School for its on-going academic excellence. Consequently Churchdown has been designated as a 'Leading Edge School' as part of the SSAT network of high performing schools. In particular, Leading Edge draws attention to the work of high-achieving, improving and innovating schools and teachers. Educational Outcomes data analysis from SSAT has shown that the school is in the top 20% nationally for progress made by pupils between their key stage 2 results at primary school and their key stage 4 results.

I would also like to thank you for supporting your children with their education and your commitment to the school. We are incredibly proud of the students, and staff, for all their hard work and commitment and it is an honour to receive this designation amongst some of the highest performing schools in the country. Rest assured we will not rest on our laurels as we will continue to work incredibly hard for every student so that they can unlock their potential.

Yours sincerely

Christopher Belli
