Dear Parents/Carers

Emergency Closure Procedures

I should like to advise you of the arrangements if the school is closed due to severe weather.

The decision to close the school will be made based on a number of factors including:

- safety of the school site
- whether or not the school buses are operating
- how many teaching staff are able to travel into school to safely supervise children
- the weather forecast

Whilst we endeavour to keep the school open, the safety of our students, staff and visitors is obviously of paramount importance and so in the event of severe weather there may be occasions when we have no choice but to close the school.

In the event of bad weather, a decision will be taken as early as possible and always by 7am. Notifications for school closure will be done via:

- the school website
- www.glosclosedschools.com
- local radio stations

Should you have any questions regarding this process please do not hesitate to contact the school.

Yours faithfully

Christopher Belli
