

		Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Year 12	Key theme/concept (PHYSICAL) Tectonic Processes and Hazards	Key theme/concept (PHYSICAL) Coastal Landscapes and Change		Key theme/concept (PHYSICAL) Coursework/Y13 content			
	Key skills developed EQ1 – Why are some locations more at risk from tectonic hazards? EQ2 – Why do some tectonic hazards develop into disasters? EQ3 – How successful is the management of tectonic hazards and disasters?	Key skills developed EQ1 – Why are coastal landscapes different and what processes cause these differences? EQ2 – How do characteristic coastal landforms contribute to coastal landscapes? EQ3 – How do coastal erosion and sea level change alter the physical characteristics of coastlines and increase risks? EQ4 – How can coastlines be managed to meet the needs of all players?		Key skills developed Fieldwork skills as per below Synoptic links between Y12 topics Revision and exam practice/skills Hydrological Cycle and Drainage Basin System			
	Key theme/concept (HUMAN) Globalisation	Key theme/concept (HUMAN) Regenerating Places		Key theme/concept (HUMAN) Coursework			
	Key skills developed EQ1 – What are the causes of globalisation and why has it accelerated in recent decades? EQ2 – What are the impacts of globalisation for countries, different groups of people and cultures and the physical environment? EQ3 – What are the consequences of globalisation for global development and the physical environment and how should different players respond to its challenges?	Key skills developed EQ1 – How and why do places vary? (including in-depth study of local place and contrasting place) EQ2 – Why might regeneration be needed? EQ3 – How is regeneration managed? EQ4 – How successful is regeneration?		Key skills developed Fieldwork planning and data collection Data presentation and analysis Drawing conclusions Evaluating the enquiry process			
Assessment opportunities	Assessment opportunities		Assessment opportunities				
• Data interpretation	• Data interpretation		• Practice exam questions				
• Case study research/recall	• Case study research/recall		• Coursework tasks				
• Practice exam questions	• Practice exam questions						
• EoT assessment	• EoT assessment						
Key events/dates 6 th form transition exams	Key events/dates Y12 PPE exams		Key events/dates (Residential) fieldtrip Individual data collection				

		Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Year 13	Key theme/concept (PHYSICAL) The Water Cycle and Water Security	Key theme/concept (PHYSICAL) The Carbon Cycle and Energy Insecurity	Key theme/concept (PHYSICAL) Revision and exams	Key skills developed EQ1 – What are the processes operating within the hydrological cycle from global to local scale? EQ2 – What factors influence the hydrological system over short- and long-term timescales? EQ3 – How does water insecurity occur and why is it becoming such a global issue for the 21st century? Completion of coursework	Key skills developed EQ1 – How does the carbon system operate to maintain planetary health? EQ2 – What are the consequences for people and the environment of our increasing demand for energy? EQ3 – How are the carbon and water cycles linked to the global climate system?	Key skills developed Revision and exam practice/skills	
	Key theme/concept (HUMAN) Superpowers	Key theme/concept (HUMAN) Health, Human Rights and Intervention	Key theme/concept (HUMAN) Revision and exams	Key skills developed EQ1 – What are superpowers and how have they changed over time? EQ2 – What are the impacts of superpowers on the global economy, political systems and the physical environment? EQ3 – What spheres of influence are contested by superpowers and what are the implications?	Key skills developed EQ1 – What is human development and why do levels vary from place to place? EQ2 – Why do human rights vary from place to place? EQ3 – How are human rights used as arguments for political and military intervention? EQ4 – What are the outcomes of geopolitical interventions in terms of human development and human rights?	Key skills developed Revision and exam practice/skills
