ACHIEVING SUCCESS FOR ALL

Attendance Policy

Churchdown School Mission Statement

Our mission is to be a school where student development and learning are at the centre of everything we do. Students are expected to strive for personal excellence and demonstrate a commitment to learning as they fulfil their potential. Our community is a nurturing and caring one, where students are encouraged to show compassion, friendship and support towards one another. We aim to provide an education which is fully inclusive, where every child is valued for who they are and who they can become.

At Churchdown School the education we provide is guided by the values of integrity, resilience, respect, ambition and friendship. These values are particularly important to us as we develop the students into lifelong learners and prepare them for a life beyond school.

Legal Requirements

Parents or guardians of students of compulsory school age have a legal duty to ensure that their children receive efficient, full-time education by attendance at school or otherwise under the provisions of the Education Act 1996

Aims

Churchdown aims for excellent attendance from all pupils. All pupils should aim for 100% attendance whenever possible. A minimum of 98% attendance is expected by all pupils and parents are encouraged to support students reaching these goals. For minor illnesses, pupils are encouraged to still attend school, where they will be supported and encouraged to attend as many lessons as possible. This policy applies to main school pupils (Years 7 to 11).

Regular Attendance

At Churchdown School we expect pupils to attend every day that the school is open unless a reason acceptable to the school is given and we are able to authorise the absence. Churchdown School defines regular attendance as above 98%.

Request for Authorised Absence

Pupils are not permitted to take holidays in term time. The correlation between good attendance and good exam results is very strong and missing lessons will lead to significant underperformance in examinations. In exceptional circumstances, parents are required complete a form and send it to the Headteacher, explaining why exceptional provision should be granted.

Only in rare and pressing situations will a holiday be sanctioned. If an unauthorised holiday is taken in term time the Head teacher may request that the Local Authority issue a Fixed Penalty Notice. This will be to each parent for each child taken out of school.

Illness

If a pupil is too ill to come to school, parents should:

1. Phone the school before 9:00am on the day of the illness and leave a message with the school's attendance officer and also send an e mail to attendance@churchdownschool.com
2. This procedure should be repeated on each day that the illness continues.
3. Provide an explanatory note to be given to the pupil's tutor upon the pupil's return to school.

If the pupil becomes well enough to come into school later in the day, parents should encourage this to happen. If a pupil's attendance rate falls below 90%, the school may insist that parents take the pupil to their GP whenever further illness occurs, and written medical confirmation of attending a GP appointment from the surgery is presented to the school. The school may also request a visit from the EWO (Education Welfare Officer) to the parents' house when attendance drops below 90%.

Absence for Extra Curricular Activities

Churchdown encourages pupils' participation in extracurricular activities. Pupils will sometimes need time away from school to participate in their chosen field. Examples might include:

- Playing sport for a national or county side
- Performing in a drama production or TV/film role
- Instrumental performance for an orchestra
- A dance exam or a music exam

Parents must always complete a request for authorised absence form to request any time off from school for special events. In all situations, professional discretion will be taken and close liaison with the pupil and parents will inform the school's decision. Where an absence is beneficial to the pupil's success in his/her chosen field and unlikely to significantly harm the pupil's education, then special permission will be granted to have time away from school.

Long Term Absence

Where a pupil has long term absence, due to an independent professionally diagnosed medical condition, the school will work closely with parents and all relevant outside agencies (GP, consultant, counsellor etc.) to ensure a programme is in place to provide appropriate educational provision (within the limits of the school's funding and staffing).

Unauthorised Absences

Where a pupil has continued authorised absences, the EWO may request to meet with parents / carers to implement an Attendance Improvement Plan (AIM). Failure to meet the targets set could result in the school following the Local Authority guidelines and Legal Action could be brought against parents for non-attendance.
