2. Budgets

2.1. Budget construction

The Business Manager is responsible for the detailed preparation of the annual budget in conjunction with the Headteacher. In doing this he/she consults with other members of staff to ascertain detailed requirements.

The FRC will review the budget and agree it before implementation by the Full Governing body.

In constructing the budget, the Headteacher takes account of priorities identified in the School Development Plan and incorporates the costs of these in the budget. Priorities identified in the Development Plan are always costed.

If the budget total exceeds the amount of the ESFA allocation, plus or minus any balance brought forward from the previous year, the Headteacher and Chair of Governors will inform the ESFA immediately this becomes apparent, including preparing a recovery plan for their perusal and agreement.

The FRC meets at least three times a year. During these meetings the committee considers a broad budget strategy and considers and approves the detailed budget.

The full Governing Body subsequently approves the full budget, and minutes this approval.

The Business Manager informs the ESFA of the approved budget in writing, in a format determined by the ESFA. The Chair of Governors signs the submitted budget.

In constructing the detailed budget, the Business Manager and Headteacher takes account of the following and all other known factors:

- **Any anticipated changes in pupil numbers**
- **Current and previous years expenditure levels on individual budget headings**

Reminders will be sent out after the following periods if the debt remains outstanding:-

- 1st reminder – 30 days after due date
- A letter will be sent by the Finance Officer – 60 days after due date
